RECRUITING IS EVERYBODY'S BUSINESS

Recruiting is the effort by the college to enroll students in Shelton State Community College. It is an effort that must be supported by all the students and personnel of the college. It is not enough for several individuals to visit various high schools during the school year. Recruiting must be on our minds all of the time.

We have a lot going for us at Shelton, and it's up to us to get the word out to the community. Although most of our students are in the 18-20 year old range, our course offerings are designed for everyone, including older residents of our area. There is always a counselor on duty to help with any problems or questions that may arise.

Remember this when talking to your family and friends this summer. Early registration for Fall quarter will begin on August 1, 1984. Wherever you may go this summer, remember to "Think Shelton State."

THE AMERICAN SCENE AT SHELTON

"The American Scene 1900-1950," an exhibit of prints depicting the American Scene as it moved from the rural heart land to the big city, opened Tuesday, June 12, at the library of the Junior College Division. The exhibit will continue through July 15 and was organized by the Fine Arts Center, Cheekwood, Nashville, Tennessee by its director, Kevin Grogran, and is circulated by the Southern Arts Federation.

As one of the first exhibits exploring this particular era, the American Scene contains works representing the seven major printmaking media: woodcut; wood-engraving; lithograph; etching; drypoint; aquatint; silk screen. This amazingly rich and fertile era is shown in the works of such artists as Grace Albee, Olin Dows, Isaac Friedlander, Leo Meissner, William Gropper, Rockwell Kent, Kenneth Hayes Miller, John Sloan, Peggy Bacon, Gifford Beal, Margeurite Kumm, William Meyerowitz, and Harry Sholker.

Funded in part by the National Endowment for the arts and the state arts agencies of Alabama, Florida, Georgia, Kentucky, Louisiana, Mississippi, North Carolina, South Carolina and Tennessee, the exhibit is open to the public during regular library hours: Monday-Thursday, 8 a.m. - 9 p.m.; Friday, 8 a.m. - 4 p.m.
